JAL SKY SUITE (JAL Business Class seat)

YOUR EXCLUSIVE RESTAURANT IN THE SKY

Japanese hospitality known as *omotenashi* is at the heart of our service. At JAL, we carefully and artfully prepare each meal using fresh, local ingredients, to offer our customers a healthy, flavourful and varied choice. Our menus are carefully created by some of the best Japanese chefs, including Michelin-star chefs. Business and First Class passengers can order from à-la-carte menus anytime during the flight. For example, why not try JAL's tasty original, healthy Kyushu ramen with umami flavour, or savour the flavours of JAL's special *donburi* - a bowl of freshly steamed rice topped with grilled seabream on London flights. When flying with JAL, passengers can enjoy the spirit and traditions of Japan in every aspect of their journey.
