

The **Top Five** Reasons You Should Book Hotels Within Our Travel Program

1. Safety

The number one reason we have a travel program is so that we can contact and assist you in the case of an emergency. If you book travel outside of our corporate tools, we will have a difficult time locating you.

2. Time

Through our partnership with CWT, you have access to over 800,000 properties worldwide. You can easily find a hotel within company policy or a traveler counselor can book one for you in less than two minutes. There's no reason to waste time shopping around when you have access to so many great rooms and rates.

3. Savings

Independent studies show that CWT's hotel solution powered by RoomIt meets or beats the best rates online 95% of the time. If a rate goes down, Price Tracking will automatically rebook the room for you at a lower rate.

4. Support

Trip cancelled? Need to change your hotel? CWT offers 24/7 support. Their experienced agents are simply a call or an app click away.

5. Loyalty

Not only can you earn loyalty points on many of the rates available, during Loyalty Booster promotions you can earn bonus hotel loyalty points just by booking a hotel room within our program.
